Annual NEPA Planning Summary January 31, 2009

In accordance with DOE Order 451.1B, this Annual NEPA Planning Summary for the Office of Civilian Radioactive Waste Management (OCRWM) has been prepared to describe briefly: (1) the status of ongoing NEPA compliance activities, (2) any environmental assessments expected to be prepared in the next 12 months, (3) any environmental impact statements expected to be prepared in the next 24 months, and (4) the planned cost and schedule for completion of each NEPA review identified. These reports are contained in the attached templates. Additionally, as part of a three-year cycle, OCRWM has evaluated whether a site-wide environmental impact statement would facilitate future NEPA compliance efforts and determined that such a document would not facilitate compliance efforts.
